

FROM THE PARISH SCHOOL,

Every child's path is unique, and The Parish School has provided those with communication delays and learning differences a place of belonging for over 40 years. We've cultivated this loving and supportive environment through a community of families, friends, alumni and generous benefactors and foundations — all of whom recognize Parish as a special place that transforms students' lives and provides them a foundation to not just grow, but thrive.

"Mighty oaks from little acorns grow." We often say this at Parish to celebrate the transformational growth of our students. This impact on the life of a child is only made possible because of the support

received from donors and volunteers, beyond tuition dollars. There are various ways the school advances its mission and, together, they work to sustain a successful school. We invite you to contribute towards a legacy of hope, belonging and transformational growth.

Thrive!

**Guide to Giving
& Getting Involved**

The Parish Fund

At the heart of our mission is a continued commitment to empower every child and every family. Your annual support ensures that every child has access to the personalized education and therapy they need to thrive. As we continue our mission, we invite all of our supporters — alumni, parents, grandparents, foundations and friends — to join us in transforming lives by making an annual donation to the school. Donors may designate their gift to what matches their philanthropic passion, while still supporting the needs of the school.

Strong support of The Parish Fund sets an important benchmark in qualifying for grants that further enhance our programs. Whether you are able to give a little or a lot every year, your contribution makes a meaningful impact on the lives of Parish students and their families.

Gifts of Time and Volunteering

Time is invaluable. When we have people volunteer for events such as our Fall Festival and Book Fair, or serve as a room parent, PTO chair or gardening guru, we are overjoyed with the love you show. We welcome you to join us, whether you have a lot of time to give or a few hours a year. Our community of volunteers is proof that by giving the gift of time, we can all make a difference when working together.

Capital Campaigns

Contributions toward Capital Campaigns go beyond a donation; they are an investment into a bigger, brighter future. The beautiful, Texas Hill Country-inspired campus we have today is thanks to the Capital Campaign we conducted in the early 2000s. Your contribution will leaving a lasting impact for future generations to come.

Special Events

The Parish School hosts special events throughout the course of the year – including our annual Gala and Giving Voice to Children Luncheon – which are essential to meeting the needs of the school outside what tuition and The Parish Fund provide. It allows our community to come together in the spirit of generosity and make a life-changing difference at The Parish School.

Planned and Endowment Gifts

You make a difference for our future students by listing Parish as a beneficiary in your estate plans. Most planned gifts, unless otherwise stated, will be earmarked for our endowment fund. Endowment gifts continuously give back to Parish, as funds are invested to earn annual interest, and all earnings are reinvested into a larger endowment principle. A percentage of the annual earnings will be used for tuition assistance, staff and professional development, with the rest reallocated back into the fund's principle to ensure that the endowment continues to grow and yield more interest for future scholarships and support. Your heartfelt contributions will leave a legacy that will benefit our students in perpetuity.
